October - Blanket making party!

If you are in or around Athens, then come to this event! We will be cutting and tying fleece blankets for children in foster care. We will be making 50 blanket kits.

If you are not able to make it to this event, you can still participate and get hours! At home, you will be making note cards with positive messages, doodles, pictures, glitter, anything you want to be creative to make the children smile. Make 5 notecards and then mail them to me. I will send details in an email.

An email will be sent out and an event will be posted soon!
