VP of Membership Position

Hi everyone! As the semester is slowly coming to an end, my time as VP of Membership will be ending soon. I really, really encourage you to run for this position. I'll be honest, at first, this position seemed overwhelming. After learning the ins and outs and by collaborating with the pledge educators, this position has been so rewarding and changed my college career. My love for my brothers and the organization has grown so much. I have been motivated to attend conferences and be more involved with other chapters whenever I can. Over the past 4 semesters, I have met so many lifelong APO friends both from OU and not. During this position, it has been so rewarding seeing the progress the pledges have made during their pledging period and their achievements as active brothers. Whoever is the next VP, I will provide you with all of my tools and notes, and show you how to work the ropes. I'll be around the Athens area next semester and next school year, so I'll be able to help you whenever you need it! Finally, I just wanted to thank all of the Delta Gamma bros for electing me to serve as your VP of Membership for the last 4 semesters. It has been a pleasure being able to serve all of you and work with the exec board. I will always be rooting for the success for the brothers of Delta Gamma.
