I loved my time as service chair! It might seem like a lot, but it's a really simple position that is a great way to get more involved with the chapter and the exec board. I made so many more connections and friends than I realized thanks to this position and it has made my membership in APO so much more meaningful. If you feel like you have a passion for service or just some good ideas/organizations we should get involved in, then this is the position for you!

A lot of dues are still outstanding and need to be paid ASAP. The late fee is in place and will be increasing \$5 every week until they are paid. If you're still having problems paying, come talk to me. We can do a payment plan and get it taken care of that way. Remember to send me proof that you paid so I can update the APOOnline portal. **It does NOT do it automatically!**

Remember I am always available to contact with any concerns or questions regarding finance and dues and everything similar.

This position works on doing mid-semester review for the chapter, listens to members when they have questions or problems, and they control the anonymous email account.
