The CRCC Desk Reference on Professional Ethics

The First of Its Kind!

It's a comprehensive resource that goes well beyond the new 2010 Code, providing additional ethics resources and research to facilitate ethical practice and understanding.

Rehabilitation Counselors: Expand Your Knowledge! Ensure Compliance!

- Gain a more in-depth understanding of the new Code.
- Have the most current, reliable, and comprehensive resource when ethical concerns arise.
- Strengthen decision-making skills through review of contemporary paradigms.
- Facilitate use of release, disclosure, and electronic counseling forms to maintain clear communications regarding roles and responsibilities with clients.
- Have ready access to Code glossary, seminal resources, and annotated bibliography for ongoing reference or further study.

Educators: Enhance Your Curriculum! Critical Student Resource!

- Update existing curriculum with significant Code revisions.
- Important reading for all rehabilitation counseling students:
 - Provides practical, current case study experience through cross-referenced training scenarios, advisory opinions, and Code listings.
 - Useful field tool for student practicum and internship experiences.
 - Provides easy access to the Code, seminal resources, and annotated bibliography for reference or further study.
- Use as a reference in supervising and guiding students through practicum and internship experiences.
- Can be conveniently available for sale through university bookstores.

Employers & Supervisors: Develop Training Programs! Improve Risk Management!

- Use as a foundation to develop in-service training programs.
- Enhance opportunities for improved service outcomes by promoting increased knowledge through regular review of cross-referenced advisory opinions and training scenarios.
- Decrease potential for client-counselor conflict through more clearly defined roles and responsibilities by utilizing release, disclosure, and electronic counseling forms and checklists.
- Important reading for all rehabilitation counseling employees:
 - Facilitates proactive resolution of potential ethical dilemmas.
 - Strengthens decision-making skills.
- Use as a tool in tailoring individual training associated with personnel review, appraisal, and development plans.
