Dear Ohio University Counselor Education Constituents:

The Ohio University Counselor Education (CE) program would like to share with you the data results of its 2010 Assessment Report. The CE faculty, in compliance with the CACREP 2009 accreditation standards, collects, analyzes, and documents student learning objectives (SLOs). This report provides data from Employer Surveys, Exit Surveys, and course work. These data have been reviewed by the CE faculty and shared with the CE Advisory Board. We would like to take this opportunity to share it with all of our constituents. We welcome your feedback and strive to use the data to continuously improve our programs. Please feel free to contact me at [beamish@ohio.edu](mailto:beamish@ohio.edu).
