

Applications for CACREP SRC Membership Due March 21, 2011

The CACREP Board of Directors is seeking qualified individuals to serve on the 2016 Standards Revision Committee (SRC). Application packets will be accepted through midnight, Eastern time on Monday, March 21, 2011 and should be submitted electronically to cacrep@cacrep.org.

The SRC is the primary work group responsible for drafting new or revised statements to the CACREP Accreditation Standards. Membership on this committee is a multi-year commitment. The SRC will commence its work in July 2011 with a completion deadline of spring 2014.

Responsibilities of the SRC include 1) developing and facilitating a plan for collecting feedback and data to support potential revisions to the CACREP Standards, 2) attending a minimum of two committee meetings per year; 3) drafting and disseminating proposed revisions in a manner which allows ample time for comment, and 4) providing regular updates to the CACREP Board regarding the work being accomplished.

Position Descriptions

Applicants should be able to document *one or more* of the following qualifications:

- Knowledge of CACREP Standards as evidenced by experiences such as
 - being a CACREP liaison in an accredited program
 - being a trained CACREP team member or team chair
 - being a former member of the CACREP Board
 - being involved in the writing of a CACREP self-study
 - being a graduate of a CACREP accredited program
- Knowledge of the profession of counseling and/or student affairs, as evidenced by experiences such as
 - serving as an administrator in a college or university that hires or teaches in the field
 - serving as a provider of counseling or student affairs services
 - serving as a public consumer of counseling or student affairs services
 - being a student in a CACREP accredited program
- Knowledge of issues in higher education accreditation
- Ability to commit sufficient time to attend all meetings scheduled by the SRC
- Demonstrated ability to think creatively
- Demonstrated ability to work as a team player on committees with work similar to that required of the SRC.

To apply for membership on the SRC, complete the application form (below) and submit it with a statement of intent in serving on the committee, a current copy of your vita or resume, and two letters of reference. The statement of intent must include information on how your knowledge and skills will benefit the standards revision process along with a statement of your willingness and ability to commit sufficient time to the work of the committee. The two letters of recommendation should be from individuals or organizations that can attest to your experiences and your ability to be an effective participant in this process-oriented work.
