Topic

Overview

This workshop is intended for Chi Sigma Iota members in the 17 chapters across Ohio. We will provide an opportunity for individuals to network with other students and professionals and share resources. Participants will learn leadership and advocacy skills. The leadership panel will discuss their experience as a leader, leadership styles, and provide suggestions for leaders. Attendees will have an opportunity to practice leadership skills.

Advocacy

Senator Joe Schiavoni (33rd District) will discuss how advocating for counselors at the legislative level impacts decisions and regulations that are critical to the counseling profession and our clients. Hands-on opportunities to advocate for issues critical to counselors in Ohio will be provided (e.g., communication to state representatives).

CSI Chapter Leadership Groups

CSI members and chapter faculty advisors have the opportunities to meet in small groups and discuss ways to improve chapter service areas (e.g., President, Vice President, Secretary, Treasurer, Fundraising, Advocacy, Social Activities, Mentoring, Advertising/Marketing, Chapter Faculty Advisors, etc.).

Poster Presentations

CSI Members are encouraged to submit a poster proposal (literature review or research) on a variety of counseling areas. We also encourage submissions to address leadership (e.g., supervision, counselor education) and/or advocacy (e.g., client, profession) issues.
