

Director of Clinical Services

About House of New Hope

House of New Hope is recognized as a leader in the provision of treatment services serving Ohio's at-risk treatment foster children and youth, and intellectually and developmentally disabled adults and youth and who need specialized support to lead successful, meaningful lives through a wide-range of treatment foster care, adoption, mental health and developmental disability services.

Founded in 1992 and as a statewide Christian 501(c)3 not-for-profit charitable agency, we are nationally accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF); licensed by the Ohio Department of Job and Family Services; and certified by the Ohio Department of Developmental Disabilities and the Ohio Department of Mental Health.

House of New Hope is located 50 minutes from downtown Columbus in the rolling hills of Licking County halfway between Newark and Utica on State Route 13.

Our Mission

"It is our mission to meet the individualized social service and mental health needs of children, adults and families in order to promote safety, permanency and well-being."

Firmly established as a statewide provider of social and mental health services, House of New Hope continues, to this day, to provide both promising and evidence-based practices and services to children, youth, adults and families, and participates in advocacy efforts throughout the State of Ohio.

Job Purpose

The Director of Clinical Services reports to the Executive Director, serves as a member of the Administrative Team, and is responsible for the oversight of all statewide treatment services provided to children and families. This position will be based out of our St. Louisville, OH Corporate Office. This is a fulltime, salaried exempt position. Business hours are Monday through Friday from 8:30 am to 5:00 pm, with 24/7 on-call backup responsibility.

Essential Functions

1. Oversee and supervise staff. Will train, direct daily activities, discipline and develop the staff to ensure accurate and timely customer service, service delivery and conformance with regulations and policies.
2. Responsible for implementation compliance, monitoring, and evaluation of all relevant ODJFS policies and procedures with regard to Title IV-E Treatment Foster Care case management and all ODMH, CARF and CMS policies and procedures for Medicaid-eligible Community Mental Health Services.
3. Assists in monitoring, implementing and evaluating the agency's quality improvement initiatives.

Minimum Qualifications

Applicants must possess a Master's degree in counseling, psychology or social work and must be licensed as a LISW-S or PCC-S in Ohio. Two years of clinical experience working with children and families in the foster care system and/or two years of mental health

supervisory experience preferred. Clean criminal and driving records, reliable transportation and auto insurance with \$100,000/\$300,000 bodily injury liability also required.

Salary Range

\$50,000 - \$55,000
