Informational Sessions

Grants & Professional Development

Dr. Roxanne Malé-Brune

Discussion of resources available to help students identify internal and external funding opportunities to support their research and creative endeavors and other professional development opportunities.

Thesis and Dissertation Services (TAD)

Sara Armstrong

An overview of the Electronic Thesis and Dissertation Process.

1. Blackboard (All Students)

2. Blackboard (Only Teaching Assistants)

Jeff Shira and Doug Grammer

Overview of the Blackboard Course Management system used by faculty members to distribute information such as syllabi and reading materials.

Library Information

Lorraine Wochna and Jessica Hagman

Various resources that the library has to offer such as: The Learning Commons, Refworks, Document Delivery, Info Tree, Ohio Link, and subject databases are available.

Health Insurance & Campus Care

Holly Elliott and Elizabeth Fields

Information about graduate student health insurance as well as the student health services available at Campus Care housed in Hudson Hall.

Research Ethics

Jo Ellen Sherow

Responsible Conduct of Research (RCR) training is a requirement for many federal funding opportunities, including fellowships. This session will look at the RCR considerations for human and animal subject use, authorship, mentorship, conflict of interest and data management.

1. Using Sources & Avoiding Plagiarism

2. Academic Writing: Resources & Tips

Dr. Dawn Bikowski

Using Sources & Avoiding Plagiarism will feature helpful tips and a look at useful online resources for documenting sources according to various style guides (APA, IEEE, MLA, etc.). Academic Writing will feature resources and tips on how to save time and be more efficient while writing and editing.

Information Technology

Sean O'Malley

An overview of the Information Technology resources available to graduate students.

Counseling and Psychological Services

Dr. Alfred Weiner

An overview of the individual and group services available on campus.

Residency Information

Marnie Miller

A review of requirements for being classified as an Ohio resident for tuition purposes.

Tax Compliance (International Students)

Barb Kreutzer

Tax compliance information for International Students with graduate appointments.

Title IX & Survivor Advocacy Program

Laura Myers and Brenda Strickland

The Office for Institutional Equity is OU's civil rights compliance office, which responds to complaints of discrimination and harassment, and monitors the university's employment practices to ensure equal opportunity. Information will be provided about the Advocacy Program and Crisis Line, which are set in place to help people who may have experienced or are experiencing stalking, dating/domestic violence, and sexual assault.
