

MICHIGAN STATE
UNIVERSITY

October 1, 2013

Dear Colleague in Rehabilitation Education:

The Doctoral Program in Rehabilitation Counselor Education, located in the Office of Rehabilitation and Disability Studies (ORDS) at Michigan State University (MSU), is actively seeking applications for the 2014-15 academic year. I am writing again to ask for your assistance in helping us locate and recruit highly qualified candidates for this program.

The deadline for applications is December 1, 2013 for those who wish to compete for college and university fellowships. We will, however, continue to review applications well beyond that deadline if we have openings available. We have our own funding for those applicants who do not make application by the December 1 date. I am enclosing some descriptive material about our program, including a curriculum overview, and a one-page flyer I encourage you post if possible.

More information about the program can be found by visiting our website at <http://www.educ.msu.edu/cepse/rehab/>. Research and teaching assistantships are available for qualified students. If you have any questions, or wish to refer a student or former student for further exploration regarding the opportunities available within our doctoral program, please contact me at (517) 432-0605 or e-mail me at Leahym@msu.edu

Thank you again for your assistance in helping us locate and recruit highly qualified candidates for doctoral studies in Rehabilitation Counselor Education at Michigan State University.
