Expanding the Realm of Research through Advocacy: Recruiting and Retaining the Next Generation of Leaders

2015 Graduate Research Conference

We are pleased to announce the annual Graduate Research Conference hosted by the Graduate Education Association and the Alpha Chapter of Chi Sigma Iota within the Gladys W. and David H. Patton College of Education. This year we extend the invitation to undergraduate and graduate students who have participated in research within their particular field. The theme of the conference is to gain buy-in on the importance of research and advocacy! We look forward to seeing you all

Date: April 17, 2015

Place: McCracken Hall RM 214A & B

For more information about the conference and proposal submission, please feel free to contact Priscilla Selvaraj or Jessica Henry
