

CONTEMPORARY PIONEERS: PRACTICING EXCELLENCE IN CULTURAL INCLUSION

NAMRC 24TH ANNUAL TRAINING CONFERENCE

Pre-Conference Workshops: July 26, 2017 • General Conference Sessions: July 27-29, 2017

Dallas Marriott City Center • 650 North Pearl Street • Dallas, TX 75201

CALL FOR STUDENT POSTER PRESENTATIONS

DEADLINE EXTENDED!!!

The National Association of Multicultural Rehabilitation Concerns invites *more* students to participate in the Annual NAMRC Conference. A student poster gallery will be featured during the conference.

Students who are interested in presenting research, service models, and/or best practices in the field of rehabilitation are encouraged to submit a poster. We are hoping that the poster presentations will serve as an effective forum for the exchange of information and a means to communicate new ideas, research, and programs.

Posters will be presented collectively in a 1.5 hour session. Students are especially encouraged to present posters of ongoing research studies, dissertations, and thesis research.

If you are a student who wants to submit a proposal for student poster presentation, please email your poster proposal to this email address: **namrc.studentrep@gmail.com**. This process does not include proposals for concurrent sessions.

Submissions of this proposal is an acknowledgment and agreement to the following:

- Be available to present the poster on the date indicated by the preconference scheduling
- Cannot charge a separate fee for attending your session
- Pay the registration fee
- Make presentation materials and activities accessible to participants with disabilities

To provide proper consideration, proposals must be submitted by Friday, June 16, 2017.

Additional questions can be asked through: namrc.studentrep@gmail.com

Additional information can be found through: <http://www.namrc.org>
