Needed for Research Study

School Counselors Who Work With LGBTQ Students

Researchers at Florida International University (FIU) invite you to participate in a study that seeks to explore school counselors' perceived readiness, challenges, and support in advocating for LGBTQ students.

You may be eligible to participate if you:

- Currently work as a school counselor
- Have worked with LGBTQ+ students
- Are at least 18 years of age

You will:

- Take an online survey about your experiences
- It is anonymous
- It will take about 10 minutes
