GRADUATE STUDENT PANEL

Tuesday
Oct 17th
4-5pm
Champaign
Room

HOSTED BY THE OCA GRADUATE STUDENT COMMITTEE

We are proud to invite all counseling graduate students in Ohio to attend! The professional development of graduate students is our committee's highest priority.

This panel will consist of graduate students and members of the OCA Graduate Student Committee as well as other students who advocate for the professional development of graduate students. The purpose of the panel is for counseling graduate students to freely ask questions about graduate school, counseling, licensure, clinical practice, clinical supervision, and more... within a non-judgmental space.

Please come with any questions and/or suggestions of what you would like to see from OCA and us in the future! We want to learn from students directly what OCA and our committee can do for them.
