**Title of Research:** Counseling Students' Professional Identity, Locus of Control, and Help-Seeking Attitudes

**IRB number:** 22-E-374

You are invited to participate in my dissertation research study entitled “Counseling Students' Professional Identity, Locus of Control, and Help-Seeking Attitudes.” The Ohio University Intuitional Review Board has approved this study.

The purpose of this study is to investigate counseling students’ professional identity and locus of control and its impact on counseling students’ attitudes toward professional help-seeking in the United States. Potential participants will be required to meet the following criteria:

- At least 18 years old or older
- Currently enrolled in a master’s or doctoral-level counseling program in the United States.
- Be located in the United States when you take the survey.

Data collection will involve completing an online survey which will take approximately 15 to 25 minutes. Survey link: [https://ohio.qualtrics.com/jfe/form/SV\\_cux5VJwQUeNKPDo](https://ohio.qualtrics.com/jfe/form/SV_cux5VJwQUeNKPDo)

I appreciate your interest in this study.

Best regards,
