

The Collaborative Assessment & Management of Suicidality (CAMS)

March 22, 2024,
8:30am-5:00pm
Marietta, Ohio

CAMS is an evidenced-based treatment framework used to assess suicidality and specifically treat suicide risk. CAMS 3-part training provides mental health professionals (and other relevant professionals) with essential knowledge in using the CAMS framework to collaborate with patients in the treatment of their suicidal drivers.
