Dear OU student leaders,

You are invited to attend two upcoming student senate events!

Senate will be hosting a **Veterans town hall** meeting on **Tuesday, April 27 from 6-7pm**. The meeting will be held in **Baker Center, room 240**. The meeting will focus largely on veterans issues.

A Senior Representative for Senator Sherrod Brown and the Attorney General will be coming to the meeting to hear issues and report back what they hear. This event is open to all students!

In addition to next weeks town hall meeting, Student Senate Minority Affairs Commission and the Office of Disabilities Services will be hosting an **open panel discussion on disabilities issues on Tuesday, April 28 at 6pm in Baker Theater**. This event is also open to all students.

Please encourage your members to attend these events and support Student Senate next week. We look forward to seeing you there!

Sincerely,

Haley Bannister  
Co-director of Public relations, Student Senate
