

# 2010-2011 CSSA Presidency Election Statement Co-Presidents

---

## Introduction

We are Ye (Solar) Hong and Huirong (Popo) Huang, currently the Vice President of Sports & Recreation and the Vice President of Culture & Entertainment of CSSA 2009-2010.

"I'm now working for the university Aquatic Center as a manager after graduated from the MBA/MSA (Master of Sports Administration) Class of 2010 this summer. As I use Solar as my English name, I would like to bring my Solar Power to people around me."—— Ye Hong

"I'm now a sophomore student majoring in Graphic Design. You can call me Popo."—— Huirong Huang

We both come from Guangzhou, and it's our great honor to compete for the positions of the CSSA Co-Presidents 2010-2011 as a team, to continue our contribution to the organization.

---

## Experience

"I have lots of leadership experience in various student organizations since in middle school. I worked for student unions in both middle school and undergrad university, and has been working for the Aquatic Center since the 2nd year of my master program. I also had my internships in NIKE (China) Guangzhou Branch, as a very responsible intern and a great team player."—— Solar

"I have participated in lots of extra-curriculum activities since in middle school, such as the composition competition, track & field competition, varsity basketball games, etc. I have 10-year dancing experience and always be active in various events. I came to Ohio University in 2008, and performed in both 2009 and 2010 Ohio University Chinese New Year Celebration Gala."—— Popo

In the past year, as the Vice-Presidents of CSSA, we assisted the President and organized various events, especially the 2010 Ohio University Chinese New Year Celebration Gala. We worked with each other as Co-Directors to direct the celebration show. And we also participated in the show as performers. The celebration gala was a huge success, and we have learned praise and credit from participants and audiences.

---

## Presidency Plan

We would like to promote the following themes during our presidency of 2010-2011, with the support and cooperation from our leadership team members.

- I. Commit to serve the Chinese students and scholars, to face the challenges and overcome the difficulties together

2. Provide opportunities to color our lives, and enhance our strengths to outshine ourselves
3. Value the teamwork spirit and always strive for better
4. Accomplish more and continue to change from great to excellent

---
