Computer Systems Engineer, WHIZ, Zanesville, OH

We have a Full-Time I.T. Engineer position available. Two-year technical school, military training, or certifications are beneficial. The candidate must be able to analyze, troubleshoot, maintain, and repair equipment and software, at times in a fast paced environment.

The ideal candidate will have knowledge/background in:

- LAN/WAN, VPNs, 802.11, SSL, NFS, SQL, iSCSI, ESXi, & SAN/NAS Systems.
- Strong familiarity with Linux and Windows Desktops and Servers
- Familiar with Open Source Software.
- VoIP & PBX Systems.
- Various programming languages; C++, C#, Python, HTML, & PHP.
- Cisco and/or Other Certifications

The ideal candidate will also have the following personal abilities of:

- Work independently or as a member of a team.
- Excellent organization skills with attention to details.
- Ability to multitask and prioritizing while under tight deadlines.
- Troubleshoot and resolve problems quickly and calmly.
- Communicate with others with various degrees of technical knowledge

Candidates must also be capable of passing a background check, lifting a minimum of fifty pounds, and must possess a current driver's license and have reliable transportation. Candidates will be required to be on call after normal business hours and be able to drive to station in an agreed upon time.

WHIZ Media Group continues in changes and upgrades. This position requires a lot of energy, enthusiasm, and creativity. If you like new things, progressive and creative thinking, install and learn new gear, want variety in your work, and like a fast-paced environment, you'll love what we do at WHIZ. This is a family-owned full-service AM/FM & TV Media Group with a very strong commitment to local programming and news coverage operating 24-7.

Send cover letter & resume to: (No phone calls please).
