To Whom It May Concern:

The Ohio Chapter of the American Public Works Association is again offering scholarships for undergraduate Civil Engineering students who will enter their junior or senior year in the next school year. We would appreciate your assistance in advising students in your department of the availability of this scholarship.

Enclosed please find application forms that must be used by the students. These forms will also be available on our website at <http://ohio.apwa.net> (please note there is no www in the web address). Also included is a poster to place on your bulletin board. Students should be advised that all required information be submitted with the application and that all eligibility requirements must be met, since the Scholarship Committee will consider the quality, as well as the completeness, of the submission in its evaluation.

Special attention is called to the fact that students must be permanent residents of the State of Ohio and that applications are to be postmarked no later than **March 30, 2018**. This material should be sent to:

Should you have any questions, please contact me directly via phone or email. Final decisions of the Scholarship Committee will be announced in April.

Any assistance that you or your staff can provide to promptly bring this information to the attention of all eligible Civil Engineering students will be greatly appreciated.

Very truly yours,

Tom Brankamp, P.E.
