

## Google Anita Borg Memorial Scholarship Canada

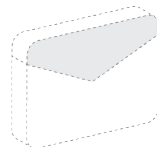

Dr. Anita Borg (1949-2003) devoted her life to revolutionizing the way we think about technology and dismantling the barriers that keep women and minorities from entering the computing and technology fields. In honor of Anita's vision, Google is proud to offer the [Google Anita Borg Memorial Scholarship](#), which awards a group of female students each a \$5,000 scholarship for the 2016-17 academic year.

All scholarship recipients will also be invited to attend a three-day Scholars' Retreat at Google's headquarters in Mountain View, CA in 2016.
