## Google Student Veterans of America (SVA) Scholarship

At Google, we believe information should be universally accessible. Our education and scholarship programs aim to inspire and help students become future leaders in computing and technology by breaking down the barriers that prevent them from entering these fields.

As part of our commitment to military veterans, Google established the Google SVA Scholarship in partnership with Student Veterans of America. The scholarship provides assistance to student veterans who are pursuing university degrees in the field of computer science in the U. S. Selected students will receive 10,000 USD for the 2016-2017 school year and will be invited to attend the Google Scholars' Retreat in the summer of 2016.
