

THE OHIO STATE UNIVERSITY

COLLEGE OF ENGINEERING

Graduate Engineering OPEN HOUSE

The perfect opportunity for you to learn more about engineering at
The Ohio State University!

OCTOBER 14-15, 2016 • COLUMBUS, OH

OUR GUESTS WILL:

- learn about research opportunities
- tour campus and state-of-the art engineering spaces
- interact with faculty and current students
- learn how to prepare a successful application to graduate school and obtain funding

The Ohio State University College of Engineering recognizes the critical importance of a diverse student body. For the purpose of this event, we encourage applications from undergraduates with a variety of backgrounds and experiences, including, but not limited to:

- African Americans
- American Indian/Native Americans
- Females
- First generation students
- Hispanic Americans
- Veterans

APPLICATION FEE WAIVERS

will be given to ALL students who attend the event to apply to their first choice program.
