**Bi-Con Services** – Bi-Con Services, Inc. has helped energy and manufacturing companies around the world compete in the global marketplace for over 50 years. One of the keys to our success and growth is our strong divisions: Construction, Electrical, Manufacturing, and Commercial Building. These divisions function as specialized business units and more powerfully when combined to provide quality turnkey solutions. Our strong divisions can work together or individually to develop, engineer, manufacture, construct, and manage customer projects. Bi-Con Services has the expertise to meet the requirements and schedules for projects great and small. Whether you need a complete facility plan, or a simple one-time renovation - we will safely make it happen. – Electrical Engineering, Mechanical Engineering, and Civil Engineering

<http://www.bi-conservices.com/>

**Bruner Corporation** – Since our beginning in 1958 the world around us has changed tremendously, but Bruner Corporation continues to be locally owned and operated providing complete mechanical system services to businesses throughout Central Ohio and the Midwest. From system design and evaluation to guaranteed preventive maintenance services, Bruner customers enjoy the benefits of system reliability, energy savings, investment protection and a more productive work environment. – Mechanical and Engineering Technology and Management
