

U.S. AIR FORCE

Air Force ROTC

Air Force ROTC is an in-college program which prepares students for a career as an Air Force Officer. The USAF is actively recruiting students pursuing a STEM degree with scholarship opportunities and financial aid in order to remain a national leader in the advancement of science and technology. If you are interested in an Air Force career and/or financial assistance, we will be hosting an informational booth in the ARC Atrium.

When: Tuesday (February 23, 2016)

Time: 12:00pm till 4:00pm

Where: ARC Atrium
