POSITION ANNOUNCEMENT
February 5, 2016

# COMPUTER SCIENCE FACULTY: NON-TENURE TRACK

The University of Rio Grande/Rio Grande Community College seeks a qualified candidate for a full-time, Visiting Assistant Professor position in Computer Science.  Position begins Fall Semester (August 2016) and may be renewable. Teaching responsibilities include a variety of undergraduate computer science classes including:

- Algorithms
- Programming Languages
- Databases
- Software Design and Development
- Upper division electives from amongst Networks, Network Security, and Mobile Application Development

The standard load is 24 hours per academic year with additional responsibilities including student advising, participation in departmental activities, scholarship/research, and/or University or community service.

**MINIMUM QUALIFICATIONS:**
- A Master's Degree in Computer Science is required.

**PREFERRED QUALIFICATIONS:**
- Ph.D. and previous college teaching experience desired.

**APPLICATION INSTRUCTIONS:**

Qualified applicants must send a cover letter detailing their interest and qualifications, updated CV, transcripts (unofficial accepted for application purposes), statement of teaching philosophy, as well as the names and contact information of at least three references to:

> Mr. Chris Nourse
> Director of Human Resources
> Email: HR@rio.edu
> Fax: 740.245.5266

Review of applications will begin immediately.  Position is open until filled. Background check and official transcripts required prior to hire.  For additional information about Rio, please visit: www.rio.edu
