

## Call for Help: Paper Submission Review 2023 Ohio Celebration of Women in Computing

OCWIC Celebrations can only happen through the generosity of sponsors and volunteers. To ensure the quality of our program, all submissions will go through at least two reviews during the selection process. The Organizing Committee understands how challenging it can be to contribute time. Becoming a Reviewer is a fantastic opportunity to contribute to the celebration without overcommitting your schedule. Reviewers do not need to be able to attend the celebration to participate.

Reviewers will be asked to complete reviews of submissions over a 5-week commitment from November 13 – December 11, 2022. All Reviewers will receive training the week of November 13<sup>th</sup>. No prior experience is required. Once engaged, Reviewers will be empowered to complete submission reviews independently during the volunteer period. However, all Reviewers will have support available from the Program Chair and Operating Committee, as required.

### Reviewer Schedule:

- November 13<sup>th</sup>, 8-9 pm – Welcome & Training\*
- November 27<sup>th</sup>, 8-8:30 pm – Status Updates
- December 11<sup>th</sup>, 8-9 pm – Project Wrap-Up & Next Steps

To sign-up, simply send a message with your name, organization, and preferred email to [program@ocwic.org](mailto:program@ocwic.org).

Thank you in advance and do not hesitate to reach out to me with any questions or concerns!
