

Judged by the Grads:

Code Showdown

Join this exciting contest to show off your skills, build your resume, and win prizes

1.

Create a Software Project

Spend Nov 15 – Feb 11 making a software application of your own design. There are no limits, as long as it takes code and creativity!

2.

Present to the Judges

Prizes are awarded by our judging panel of five recent OU CS graduates. Demo your project to them in February to show off what you've made

3.

Win Prizes!

Participants of upper- and underclassman brackets will be awarded for 1st place, 2nd place, Best Use of Technology, Most Creative, and Highest Professional Quality
