

Internship Opportunity

The Ohio Department of Job and Family Services (ODJFS) is responsible for developing and supervising the state's public assistance, workforce development, unemployment compensation, child and adult protective services, adoption, child care, and child support programs. Our mission is to improve the well-being of Ohio's workforce and families by promoting economic self-sufficiency and ensuring the safety of Ohio's most vulnerable citizens.

This summer, we are offering internships to enthusiastic college students interested in gaining meaningful work experience and joining us in fulfilling our mission. Interns will participate in workshop trainings, gain networking skills, attend staff meetings, and perform meaningful public service work.

To apply, go to careers.ohio.gov and click "Search for State Government Jobs." Filter for "Job & Family Services" under Department and look for job postings titled "College Intern..." Applications will be accepted until April 16, 2017.
