2020 PAID SUMMER INTERNSHIP OPPORTUNITIES USDA FOREST SERVICE, NORTHERN RESEARCH STATION

The United States Department of Agriculture (USDA) is currently accepting applications for 2020 Summer Internships. USDA Agencies (including the Forest Service) will hire Pathways Interns in hundreds of locations in nearly every state in the country for the following occupational fields:

- Veterinary Science
- Biological Sciences
- Engineering & Architecture
- Agribusiness, Contracting, Procurement, and Industry
- General Administration and Office Support
- Financial Management
- Information Technology

The Northern Research Station expects to fill 20 seasonal positions through this opportunity.

HOW TO APPLY

<https://www.usda.gov/internships>

Positions close November 15, 2019

The USDA is an equal opportunity provider, employer, and lender.

WHO CAN APPLY

Current students in an accredited high school, college (including 4-year colleges/universities, community colleges, and junior colleges); professional, technical, vocational, and trade school; advanced degree program; or other qualifying educational institution pursuing a qualifying degree or certificate.

NORTHERN RESEARCH STATION POSITIONS AVAILABLE

The Northern Research Station plans to hire approximately 20 Biological Science Interns (e.g., natural resources management, forestry, wildlife biology, fish biology, ecology, botany, ornithology, entomology)
