

Your Health Policy Fellowship can do wonderful things for you!

Did you know it can jump start your way to a Master of Public Health or Master of Health Administration degree from A.T. Still University's School of Health Management? ATSU-SHM's partnership with the Health Policy Fellowship through Ohio University College of Osteopathic Medicine allows a portion of your fellowship work to equate to completed classwork in our online programs.

Learn more about ATSU and the School of Health Management at www.atsu.edu.

Find out more about our HPF program by contacting 877.626.5577.
