

In partnership with the Design & Development Division
presents a webinar on

What is Design?

Join the interactive multimedia designer
Elizabeth Boling, MFA

Associate Professor and
Associate Dean for Graduate Studies at the
Indiana University, fellow AECT instructional
designers, and graduate students to discuss the
concept and practice of design and the
characteristics that instructional design shares
broadly with other design enterprises.

June 8th, 2011

Time: 12:00 CT

Register and Login at
