

Save the Date!

December 1 & 2, 2011

Grand Geneva Resort
Lake Geneva, WI

Join us at this year's Great Lakes 1:1 Computing Conference at the beautiful Grand Geneva Resort!

Whether you are currently involved in a 1:1 learning program or you are interested in expanding your 21st century learning environment, at GL 2011 you will enhance your skills, learn about the latest innovations and network with other educators in the ubiquitous education technology community.

District teams of four or more will receive special discounted registration rates!
