

Thesis and Dissertation Deadlines Academic Year 2012-13

- *All deadlines are firm and apply to all written thesis and dissertation for all colleges.* Individual Colleges, Schools and Departments may have earlier and/or additional deadlines.
- All students are encouraged to obtain a **pre-oral** defense format review and are required to meet the Format Review Deadline by emailing their documents in Word format to tad@ohio.edu. Students working in LaTeX may submit a PDF.
- Students need to confirm with their department/college that they have fulfilled all other graduation requirements.
- While the Alden Library no longer requires printing for electronic filers, advisors and departments may require a print copy of the final document.

All deadlines are firm. Exceptions cannot be granted by TAD Services.		This deadline is set by the registrar's office. For questions, email registrar@ohio.edu.	If you defend after this deadline, you will not graduate in your intended term.	Document's content must be final. Please submit Oral Defense Report at same time.	Students must have already met the "Format Review Deadline" to qualify for this deadline.

¹**Attention College of Health Sciences and Professions students:** Your document must be sent to Dr. J. Horner for document edits and College approval at hornerj@ohio.edu no less than 2 weeks before TAD's Format Review Deadline. For this reason, please schedule your oral defense two weeks earlier than the date shown in the table above.

¹**Attention Patton College of Education students:** An electronic copy of your document (following post-defense edits) must be submitted to your director no less than 2 weeks before TAD's Format Review Deadline. For this reason, please schedule your oral defense two weeks earlier than the date indicated on the table above.

²**Early Completion:** Deadlines cannot be moved. If you miss the deadlines for your intended term of graduation, you may avoid paying tuition in the following term if you meet the following requirements:

- 1) You have no Visa restriction requiring you to be registered in the term you graduate. (You can call the International Student Services office at 740-593-4330 to confirm your eligibility.)
- 2) You have no obligations to your home college (all coursework complete and all requirements are met).
- 3) You follow all posted deadlines above.

If students receive any services from any office on campus in the following term, they must register and pay tuition in that term.
