

Call for Abstracts

6^{3rd} OHIO WILDLIFE MANAGEMENT CONFERENCE

January 20th, 2023

Nationwide & Ohio Farm Bureau 4-H Center 2201 Fred Taylor Drive • Columbus, Ohio

Abstracts are currently being solicited for oral presentations and posters for the 2023 Ohio Wildlife Conference

Instructions for Submitting Abstracts

DEADLINE for abstract submission for oral presentations and posters is **extended to December 14, 2022.**

CONTENT

Abstracts should include:

1. Problem studied or hypothesis tested - state why you conducted your study and the importance of your research.
2. Results - focus on the most important results of your study, while briefly explaining the methods used in data collection.
3. Implications - explain how the results of this study will advance the understanding of fish and wildlife conservation/management.

FORMAT

1. Abstracts should be <300 words in length, excluding title (<15 words in length) and author information.
2. Include (*in this order please*) the name, affiliation, email, and mailing address of each author. An asterisk should follow the presenting author's name.
3. Use hard returns between the title, author information, and the abstract text.
4. Italicize scientific names.
5. Please use single spacing, Times New Roman font, size 12 font, and save as a Microsoft Word document.

****PLEASE follow the above guidelines as it saves the committee time in editing the final conference program.****

SUBMISSION

1. Abstract submission via email is preferred. Send abstract as an attachment to christina.monroeswcd@gmail.com
2. The subject of the email should read as follows: **OWMA Abstract Submission 2022.**
3. Please indicate if you are submitting an oral presentation or a poster. Also, please indicate if you are willing to display a poster if your abstract is not accepted as an oral presentation.
4. The Conference Program Committee reserves the right to edit abstracts for grammar and typesetting.
