

OHIO MUSEUM COMPLEX

AMPHIBIAN PRINT EXCHANGE

RECEPTION

OCTOBER 17TH
5:30-7:00PM

OHIO Museum Complex
Lin Hall, 2nd Floor
100 Ridges Circle
Athens, Ohio 45701

Join the Ohio Museum Complex (OMC) for the 2nd annual All Taxa Biodiversity Inventory (ATBI) Print Exchange! This year's exchange highlights amphibian specimens from our collection, featuring artistic interpretations that explore their beauty and significance.

Interactive elements will accompany the exhibition, offering visitors an engaging and educational experience. By bridging art and science, this project fosters interdisciplinary collaboration and invites new, creative perspectives on the museum's natural history collections.
