

SATURDAY, SEPTEMBER 24, 2016
MORTON HALL

The Seventh Annual
**Appalachian Ohio
Mathematics and
Science Teaching
Research Symposium**

AppO MaSTRS 7

This is a learning opportunity for mathematics and science pre-service and in-service teachers, school administrators, university and college faculty, and all others interested in STEM education!

The day will include a variety of sessions on STEM topics and time for networking and conversations.

**THIS YEAR'S THEME IS
THE INCALCULABLE VALUE OF STEM**
