**Points and attendance related duties:** Helping keep track of attendance through check in sheets or wristbands. Also be able to tally percentages of attendance at the end of each event. Being organized and unbiased is a must!

**Sports related duties:** Assisting with sporting events you will be responsible for setting up, tearing down, as well as potentially helping officiate. Duties may include helping set up brackets for teams, and generating rosters. You may also help keep track of teams' wins and losses. It is a plus to have understanding of sports we are planning (flag football).
