Announcements

Brother Ransom asks that you turn in your leases for next year and if you are interested in living in the house this summer let him know. Also, the Delts have been suspended for five years and if asked to talk to the media you had better be careful of what you say because their members are still on campus.

Dad's weekend is Jan. 22-24. Try to come up with some things to do.

Chris Guenther will have a HI meeting on Thursday at 6 PM at the house.
