GP- Thanks for making it to chapter on time. Grievances will be filed if you have unexcused absences for chapter. Trevor from GAMMA and Greek life came in to talk about a health and wellness class that will be offered next quarter. It will be 4 credit hours and by completing it you will be Choices certified as well as other useful certifications. Application for the course is due Feb. 12. Trevor also touched on some of the changes that GAMMA is putting into effect. GAMMA will be trying to plan social/philanthropic events that the whole Greek community can join in on. These changes will start next year.

VGP- AEPi's Philanthropy Chair will be in on Feb. 7th to talk about Bare on the Bricks. Also, we have been invited to a Phi Psi softball tourney by the Illinois Theta chapter which is set for April 10th. A location for the tourney has not yet been set.

Committee Reports

Risk Management- Brother Suntala needs someone to step up and take over our chapter's risk management position.

Fraternity Education- If you are interested in being a Big Brother this quarter you can sign up with Brother Miller. He has also brought up a great idea to help everyone get to know our new pledges. He wants us to sign up to be something like a Big Brother for a week, where you will pick a couple of pledges and get to know them by hanging out with them for a week. This will last for three weeks (a Phi week, Kappa week, and Psi week) until they get their actual Big Brother. Brother Miller also wants to put up a chart to help us keep track of who has spent time with each pledge.

Brotherhood- Dodge ball this Saturday, Feb. 6th at 2 PM in Ping. Expect to hear information about whitewater rafting in the near future. The milkchug is also in the works.

Philanthropy- See Brother Carter to add time to your hours sheet if you need to. Also, Brother Klink has information about a Haiti fundraising event that is happening soon.

Housing- Keep cleaning.

Recruitment- The wing dinner went well.

Marketing/Apparel- Our gear has been designed. Everyone will get a T-shirt for FREE. If you would like to order a hoody, sweatpants, or polo be sure to see Brother Sapo no later than this Friday, Feb. 5th.

Finance- Dues were due on Wednesday Jan. 20th. A 5% late fee has been assessed for any late payments. Email/Call Brother Collins if you have any questions.

Social- Formal is set for March 6th. Each room will have 2 beds, one for each couple, and if you want your own room you will have to pay extra. We have upcoming socials with DZ and ADPi. DZ will be Friday, Feb. 5th and ADPi is Feb. 12th.

Health and Fitness- Our intramural floor hockey team played the same team as last week and the game really didn't count. Brother Watts' broomball team plays Sunday nights at 1:45 AM. On Monday nights Brother Mosher's team plays at 12:15 AM.

Academic Advancement- Brother Scerbin is revamping our scholarship program and making it a points program. It will take cumulative GPA as well as quarterly GPA into account. The more points you have the better.
