The BACCHUS GAMMA Network™ is the place to support student leadership and peer education on health and safety issues – no matter your group name, specialized health interest, or social affiliation. Involvement as a student leader or advisor in our Network is often a very personal and passionate story. The peer education experience gives students the confidence to believe in themselves and the power of influence they have on others. For some, peer education is a life-changing moment for themselves or someone they help.

As many peer educators graduate and advisors move on to other career opportunities, they take with them the pearls of their involvement - compassion, wisdom, sense of service, sense of self, organization, leadership – to use in their next professional, civic or academic role.

## **GAMMA At Ohio University**

*The Mission of GAMMA at Ohio University is to promote inter-fraternity collaboration regarding the major health and safety issues affecting students. We aid the Greek Community to implement Health and Wellness programs and harm reduction strategies. As peer educators to the Greek Community, we share fraternity and sorority information and solutions of mutual interest to all chapters involved. Our programs satisfy Greek Standards and educate on areas such as Sexual Assault, Hazing, Alcohol, and other wellness topics. Through collaboration with IFC/NPHC/MGC/WPA we act as liaisons of Health Promotion to the entire Greek Community.*

## **The Gamma Class**

Members of GAMMA complete a 4 credit course on critical health issues facing students in the Greek Community. The class provides intensive training on alcohol, sexual assault and hazing risk-reduction. These programs are required by the Greek Standards program. GAMMA members are also trained in public speaking, program development and role modeling. Programs can be scheduled by calling the Campus Involvement Center.

**All new GREEKS are required to participate in a CHOICES Alcohol Harm-Reduction Program!**

**Are you GREEK? Do you want to work with the entire Greek Community? Does Health and Wellness or Education interested you?**

# **Apply Today!**

**In the Greek Life Office or  
the Campus Involvement Center**

**Applications are due February 12th by 4:30**
