

The Ohio Association for College Admissions Counseling Presents:

COLLEGE COUNSELING 101

A FREE WORKSHOP FOR NEW COUNSELORS

Higher Education is the gateway for successful career for our students. You may have heard President Obama pushing college in the State of the Union Address; maybe you heard Governor Strickland's call to increase the number of college students in Ohio.

Who do students turn to for help in finding the right college? That's right - their school counselor! Are you ready to provide assistance to students and their parents when you start your new job as a counselor? Will you be able to answer questions about paying for college, preparing for the SAT, and choosing the right college? If not, we have the workshop for you!

TOPICS TO BE COVERED INCLUDE:

Admissions Timelines
Admissions Terminology
Programming for students and parents
Standardized Testing
Working with Special Populations
Ethical Concerns in College Admissions
Resources for counselors

This free workshop will be presented by experienced high school counselors and college admissions counselors. College Counseling handbooks will be provided.
