

# Campus Conversations:

*Free Speech, Civility & Difficult Dialogues*

Thursday, November 6

Walter Rotunda

3:00PM — 6:00PM

The Ohio University and Athens communities are invited to participate in an event designed to provide a safe environment for people to ask questions, raise concerns, and engage in conversations about free speech, civility, and difficult dialogues.

This event is open to the entire community and will be formatted to allow participants to come and go as their schedules permit. There will be conversation starters and facilitators at small tables to encourage interactive dialogue.
