“I had a fantastic experience on CRCC Asia’s China Internship Program. I recently received three job offers from Asurion, Amazon and Mott MacDonald - I can safely say that I could not have secured these without my Chinese experience - speaking specifically about the challenges, culture and the sort of work I was doing in my internship,”

Treasa Harkin, Beijing

Introduction

China is a fascinating place in which to work and live, culturally, linguistically, and socially. CRCC Asia specializes in connecting China and the global community through award-winning internships, study abroad programs and consulting services.

Through partnerships with a variety of companies in major cities, we provide students and graduates the opportunity to further their personal and professional development in a dynamic international setting. Programs run for 1, 2, and 3 months throughout the year across various industry sectors including business, finance, marketing, engineering, law, and many more.
